Thanks Eric -

I believe the LWG would like to have the meeting to have one last discussion about 3B prior to the Senior Managers meeting on Thursday, July 12, as well as to touch base on other PH issues. It can be a short meeting!

Cheers
valerie

I believe that Chip and I are both available. It is really the LWG's call as to whether we need to have this meeting. We have had a lot of discussion over the past few weeks about the Round 3B data gaps and a number of management meetings as a result. It is unclear to me whether we need a final check in on Round 3B or whether the meeting we had on June 28th and my subsequent email and attachment were sufficient.

PH Managers meeting?

Hi Chip and Eric -

Are you both planning on having a PH Managers meeting tomorrow? There has been some question raised about whether the meeting is taking place. I think the LWG would be OK with postponing the meeting for a week or two if you are unavailable.

thanks!
valerie
